- 1. By applying to open a share account on or after 6 April 2000 I/we agree with the Society and the Charities Aid Foundation (the CAF) that I/we will assignte the CAF (or to any charity(ies) nominated by it or by the Society under the provisions of a deed dated 5 April 2000 between the Society and the CAF, in which case references to the CAF shall include references to any other charity(ies), but to no other person) the rights to any relevant conversion benefit (defined below). This obligation will not apply to me/us if I/we fall within any class of persons which, as at today's date, the Society wishes to be excluded from such obligation. I/we authorise the Society to pass to the CAF such information relating to me/us and my/our accounts with the Society as the CAF may reasonably require in order to administer this agreement to assign and the relevant conversion benefits and for no other purpose. # Financial Services Compensation Scheme Information Sheet

The Financial Services Compensation Scheme (FSCS) protects deposits made by most individuals and businesses. Your account statement will confirm whether your deposits with Mansfield Building Society are eligible for FSCS protection. Details of certain exclusions from the FSCS's protection are set out in the exclusions list after this information sheet.

### Limit of protection

£120,000 per depositor per bank, building society or credit union.

If Mansfield Building Society goes out of business the eligible deposits with Mansfield Building Society will be added up and the £120,000 will be applied to the total balance. For example, if you hold a savings account with £80,000 and a current account with £50,000, FSCS will pay you £120,000 and you may lose £10,000.

To ensure the FSCS can pay you promptly please ensure that Mansfield Building Society has your up-to-date contact details including your email address.

### Joint and group accounts

Each eligible account holder is entitled to £120,000 protection in total. For example, if there are two account holders, you will each be entitled to £120,000 protection, giving a total of £240,000.

Eligible deposits in business accounts are treated as if made by a single depositor. This means these types of account will only be protected up to £120,000.

### Temporary high balances

If you have a 'temporary high balance' you may be entitled to more than £120,000 protection for six months from when the amount was first deposited or legally transferred. Temporary high balances are deposits connected with certain events, including:

- (a) Transactions relating to the purchase and sale of your main home.
- (b) Major life events such as death, your marriage or civil partnership, divorce, retirement, redundancy, disability or incapacity.
- (c) Compensation for personal injuries or wrongful conviction.

## How the FSCS will pay you

FSCS will typically return deposits within seven business days by cheque or electronic payment into an alternative account. Payments may take longer in exceptional circumstances, for example if there is a temporary high balance, or the deposit is held on behalf of underlying beneficiaries.
