- To annually consider the scope and planning of the external audit including a review and approval of the Auditors' Engagement Letter.
- To annually review the performance of the External Auditors in order to assess whether they continue to meet the necessary requirements, and report this to the Board.
- To approve the audit fee and pre-approve any fees in respect of non-audit services provided by the External Auditors and ensure the suitability of the provision of non-audit services and that this does not impair the External Auditors' independence or objectivity.
- To agree the provision of non-audit services of a value greater than £10,000 (pre VAT) per annum (with the Committee having approved a mandate for Management of up to £10,000 (pre VAT) per annum).
- Annually, to review the External Auditors' independence, objectivity, skills and resources. Independence in this context embraces family ties, financial, employment and investment links.
- Annually, to discuss with the External Auditors their policies and processes with regard to relevant ethical and other regulatory requirements concerning the conduct of their work.
- At the end of the annual audit cycle, to assess the effectiveness of the external audit process and confirm that no constraints have been encountered by them regarding the nature and extent of their audit work for any reason.
- To review the nature and extent of cooperation between the External and Internal Audit teams.
- To review the findings and recommendations of the External Auditor and the Society's response thereto.
- To review the audit representation letter before acceptance by the Board.
- The Audit Director/Partner shall be given the right to direct access to the Chair of the Board and the Committee.

11.2. FINANCIAL REPORTING

- To review annually, and otherwise as required, the Society's accounting policies prior to approval by the Board.
- To review the annual financial statements of the Society and any formal announcements relating to the Society's financial performance, for compliance with financial reporting requirements, accounting policies and judgemental audit issues before submission to the Board for approval.
- To review annually, and otherwise as required, the Society's assessment that it has the necessary resources to continue in business as a going concern.
- Make a recommendation to the Board annually that material internal controls are effective including those covering financial reporting, and in line with Provision 29 of the Corporate Governance Code (although the Society is only required to have due regard to this, adopting a comply or explain approach to compliance)
- Review the Society's systems and processes for internal financial controls and make any recommendations for improvement with reference to both Internal and External Audit review outputs.
- Review annually the statutory reporting of financial statements including the performance of the External Auditors and the effectiveness of the Society's internal processes.

11.3. INTERNAL AUDIT

- Approve the terms of reference for Internal Audit and the scope of the annual plan.
- Review and assess progress against the plan.
- Review and approve the Internal Audit Charter.
- Approve the appointment or dismissal of the Internal Auditors.
- Where the tenure of the Internal Audit Partner/Director exceeds 7 years assess their independence and objectivity on an annual basis.
- Approve the remuneration/budget for the Internal Auditors/provision of Internal Audit services.
- To conduct an annual review and assessment of the effectiveness of Internal Audit in the overall context of the Society's risk management framework and against performance expectations/objectives. This assessment should also include the work performed, the nature and timing of reports, the adequacy of resources, the adequacy of the knowledge and skill set available, its independence and its compliance with Standards for the Professional Practice of Internal Auditing set by the Chartered Institute of Internal Auditors and with the Internal Audit Financial Services Code of Practice.
- Consider the findings of each audit report and review progress made by management in the implementation of agreed actions.
- The Internal Audit Partner/Director shall be given the right of direct access to the Chair of the Board and the Committee.
