## What is a Prepaid Funeral Plan?

A Prepaid Funeral Plan lets you pay for a future funeral at today's price, protecting you against rising funeral costs and helping you to leave more behind for your loved ones.

It helps protect your family from emotional and financial stress by allowing you to make your wishes known and get your affairs in order.

## Why should you take one out?

- **It helps you save money** - by paying at today's prices you can avoid paying any potential future price increase
- **It's a fixed price plan** - you will never be asked for a penny more for the services included in the plan.
- **It looks after your wishes** - You can record your individual wishes to personalise your plan with items such as favourite hymns, songs, or preferred charitable donations.\*
- **It suits your needs** - You can choose between a cremation or burial, and have the send-off you prefer.
- **It protects your loved ones** - both financially and emotionally.
- **It's flexible** - you can pay with a lump sum or spread the cost with monthly instalments.^

## Who provides the plan?

We work in partnership with Dignity, one of the UK's leading funeral plan providers. With a nationwide network of over 1,200 Funeral Directors who are either owned or approved by Dignity, your funeral will be in professional and caring hands.

Dignity launched the first UK funeral plan in 1985 and have helped over 910,000 people to plan for their funeral in advance and protect their loved ones.

\* Some requests may incur an additional charge and may not be covered by the price guarantee. Any costs incurred from these requests will have to be paid for at the time of the funeral or alternatively a contribution can be made towards these costs which will increase each year in line with the Retail Price Index (RPI).

^ Plans purchased over a period greater than 12 months will incur an administration fee

## How does it work?

Taking out a plan is easy. Dignity offers guaranteed acceptance for those aged 50 or over, with no medical questions.

You can pay with a lump sum or spread the cost with monthly instalments over a period of up to 25 years †. The money you pay for your plan goes straight into a secure, independent Trust Fund and once it's paid for, you can rest assured that you're covered for everything that's included in your plan.

## Plans to suit your needs

Dignity offers a choice of three plans: Amber, Pearl and Diamond, so that you can choose what best suits your needs. You can make extra contributions for any special requests you may wish to add to your plan such as flowers and memorials which will also rise in line with inflation.

## The NEW Dignity Promise

If you choose to pay for your plan over more than 12 months, and pass away before you've finished paying for it, Dignity will cover your outstanding balance.

We will not ask your loved ones to pay a penny more than you've already paid for all the services included in your plan††

*† Instalment periods of up to 25 years are available provided that all payments over any instalment term longer than 12 months are completed by the 85th birthday of the eldest person named on the plan.*
