Unless stated differently in individual product terms and conditions the usual maximum investment holding is £400,000. Where more than one account is held the maximum holding is £400,000 per person in total.

* AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. AERs on the Monthly Income account assume interest is added to the account each month although in practice the option to have interest added in this way is not available.

< The gross rate is the contractual rate of interest payable without tax taken off

@ Please note these accounts can be withdrawn down to a £5 minimum balance

^ Tax free means exempt from UK income and capital gains tax in the hands of the investor

Withdrawals are subject to individual account terms and conditions and may be subject to branch withdrawal limits.

Interest rates variable unless stated. Changes to variable rate savings rates are announced and made available in accordance with the General Account Terms and Conditions. Current and previous interest rates can also be viewed on our website.
