All other account terms and conditions remain unchanged. For account restrictions see individual account details. Visit our website at mansfieldbs.co.uk, call us on 01623 676350 or pop into your local branch for further details or if you have any queries. If your account does not appear in this listing, the rate remains unchanged.

© In addition to the interest paid on the account, a donation equivalent of 0.10% of the average total balances invested in all Community Saver accounts will be donated by the Society to our Charitable Trust each year.

^ Tax free means exempt from UK income and capital gains tax in the hands of the investor.

1. AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. AERs on the Monthly Income account assume interest is added to the account each month although in practice the option to have interest added in this way is not available.

2. The gross rate is the contractual rate of interest payable before the deduction of income tax. If separate AER/Gross rates are not quoted, both rates are identical.
